

For terms see *Book 4, Mercenary*, p. 17

### **Tarkine Down Security Ticket (Battalion; Security)**

The contract offered is a one-year security short ticket to a battalion-sized security force for the protection of Tarkine Down starport and the scout base. Cr 4,000,000 up-front money is offered to a reputable unit. Cr 500,000 will be provided monthly to meet payroll demands. A success-only bonus of Cr 5,000,000 will be held in escrow and paid out if the mercenaries are successful in protecting the starport for one year. Transport to Tarkine will be provided. Repatriation bonds are provided. The mercenary commander will work under the command of the local authorities.

### **Tarkine Down Security Ticket (Company; Security)**

The contract offered is a one-year security short ticket to a company-sized security force for the protection of Tarkine Down starport and the scout base. Cr 1,300,000 up-front money is offered to a reputable unit. Cr 170,000 will be provided monthly to meet payroll demands. A success-only bonus of Cr 1,700,000 will be held in escrow and paid out if the mercenaries are successful in protecting the starport for one year. Transport to Tarkine will be provided. Repatriation bonds are provided. The mercenary commander will work under the command of the local authorities.

### **Independence on Tarkine Alliance Striker Ticket (Company; Striker)**

The contract offered is a success only striker short ticket to a company-sized force to supplement several battalions of indigenous militia in their struggle to overthrow the Imperial client government. No up-front money is available. Independence on Tarkine Alliance (IoTA) will provide a 0.1% interest in the world wide agricultural exports, on a success only basis. Munitions and spares will be provided to the company at 10% of list provided that all unused material reverts to IoTA upon conclusion of the mission. Transport to Tarkine will be provided. Repatriation bonds are provided. The mercenary commander will work under the command of the indigenous IoTA. The 0.1% interest in the agricultural exports is redeemable for Cr 30,000,000 if desired.

### **Independence on Tarkine Alliance Cadre Ticket (Platoon; Cadre)**

The contract offered is a one-year cadre ticket to a platoon-sized cadre unit, not to exceed 30 men, to train and lead the indigenous militia. The militia consists of mixed armor, mechanized and infantry units. Local ranks held by the cadre will include 2 field grade commissions, 3 company grade commissions, 9 junior officer commissions and the remainder as NCOs. All active companies will be commanded by mercenary officers, with native officers serving as deputy commanders. Double standard salaries are offered with a success only bonus of 12,000 hectares of prime agricultural land. Transport to Tarkine will be provided. Repatriation bonds are provided. The mercenary commander will work under the command of the indigenous IoTA.

*(Note to players: This will be a good ticket for a player with few or no miniatures.)*

### **Tarkine Commando Ticket (Company; Commando)**

The contract offered is a one-year commando long ticket requiring a company strength light commando force. The commando unit will provide raids against rebel communities, rebel installations, and rebel-hired mercenary units as needed. Cr 3 million is offered up front to a reputable unit. Cr 450,000 will be provided monthly to meet payroll demands. Employer will pay a 10% of purchase price bonus for all equipment remaining intact at the end of the operation. Employer will furnish imported equipment for a tech level 8 armor, mechanized or infantry company. Transport to Tarkine will be provided. Repatriation bonds are provided. The mercenary commander will work under the command of the local authorities.

*(Note to players: This will be a good ticket for a player with no miniatures but you are stuck with what I can provide.)*

### **ab SuSAG, LIC, Tarkine Security Ticket (Platoon; Security)**

The contract offered is a one-year security short ticket to a platoon-sized security force for the protection of the SuSAG pharmaceutical plant on Tarkine. Cr 400,000 up-front money is offered to a reputable unit. Cr 100,000 will be provided monthly to meet payroll demands. A success-only bonus of Cr 1,000,000 will be held in escrow and paid out if the mercenaries are successful in protecting the plant for one year. Transport to Tarkine will be provided. Repatriation bonds are provided. The mercenary commander will work under the command of the General Manager, SuSAG, Tarkine Branch.

### **Independence on Tarkine Alliance Combat Engineer Ticket (Platoon; Striker)**

The contract offered is a one-year striker short ticket to a platoon-sized force composed of combat engineering specialists for the construction of IoTA defensive positions and clearing of enemy mine fields and obstacles during offensive operations. No up front money is offered. Cr 150,000 will be provided monthly to meet payroll demands. A success only bonus of 20,000 hectares of prime agricultural land will be paid when IoTA assumes control of the planetary government. Transport to Tarkine will be provided. Repatriation bonds are provided. The mercenary commander will work under the command of the indigenous IoTA.
