

Situation

A Loyalist convoy of new military vehicles will be traveling along the highway from the starport in the south to the capitol (Dellis) in the north.

Mission

Ambush, destroy or capture as many enemy vehicles as possible.

Enemy

1. Loyalist mechanized company with TL8 equipment.
2. Enemy mercenaries operating in area.

Supply

1. Enough command detonated explosive to create one 25m long abatis across the highway. Both sides of the highway must be wooded.
2. One prepared 25m abatis across the highway. This abatis is hidden until spotted by enemy (or they drive into it).
3. Town is sympathetic to IoT cause and you may deploy troops in its buildings.
4. 2x civilian trucks.
5. 15x TL7 disposable ATGLs.

Weapon	Shots	Effective	Long	Extreme	Targets	Signature
TL7 Disposable ATGL	1	20(36)	40 (36)	60 (36)	1	+3

Communications

1. All officers, NCOs and vehicle drivers have Power 1 radios.
2. Prepared code words are in use.
