

## **Situation**

Newly imported TL8 combat vehicles were delivered to Tarkine Down starport and must be delivered to the garrison in the capitol (Dellis).

## **Mission**

Organize and execute convoy movement of imported vehicles to Dellis.

## **Enemy**

Convoy will pass through rural areas known to be sympathetic to IoTA cause. No IoTA contact is expected after their defeat at starport last month. IoTA is hiring Aslan mercenaries to their cause but their disposition is unknown.

## **Supply**

Each vehicle is fully armed and fueled. Each soldier is carrying a full load of ammunition.

## **Communications**

1. Vehicle radios should be set to convoy channel.
2. Prepared code words are in use.
